

**THE SUMMER BASH
HAS COME AND GONE!**

This year's Summer Bash enjoyed a good turnout, and with lots of Singing by several of the Division 5 Quartets, those who attended were treated to some smooth sound.

We hope all who attended were satisfied with the program, and for those who could not attend, you missed a great outing.

Now its back to preparation for the Fall and Winter performance schedule, so your Chorus can show the Public what great music sounds like.
